

24th September 1977.

Dear Club Member,

As you may recall at our last Annual Meeting it was decided by vote that we move the Annual Meeting and elections to the October meeting of each year. Therefore in accordance with our By-Laws you will find accompanying this letter an official notice from our current secretary Bud Crow and a ballot showing the nominees for officers and directors that came out of the meeting of September 19th. If you feel you will not be able to attend this meeting please mail off the ballot to the address given on it's heading. If you plan on attending the meeting please bring your ballot and the whole group will be totaled up in the presence of those in attendance. I should also like to point out to you that according to our By-Laws only full members have been given the right to vote (Article II, Section 5). You will find accompanying this letter the appropriate number of ballots.

Now then on to our up-coming Halloween type party. On the evening of Saturday, October 22nd, there will be another casual gathering for an evening of "noggin and natter" at the residence of Julian and Jean Graham (see accompanying map). The festivities will begin at 7:30 P.M. and go on into the evening. The only requirement for the evening will be that bring one's own spirits, suitably identified with one's own mark. Food and mixer will be supplied. Also during the evening we will have a showing of Julian's 8mm film of this summer's trip to Monterey and the Vintage races at Laguna Seca, with sound. We would kindly ask that if you plan on making the party Saturday evening, that you R.S.V.P. via a note in the mail or a phone call to Jean Graham.

I will also take this time to mention that some of us will be meeting that day at Portland International Raceway to spectate the 2nd Annual 6 Hour Enduro, sponsored by Cascade Sports Car Club. The race will begin at 1:00 pm beginning with a Le Mans type start, followed as the race goes on by pit stops for fuel and driver changes and all else that goes with this type of endurance racing. From our own group of Morgan enthusiasts out on the track will be Al Allinson from N. Vancouver, B.C. in his Brabam and Fred Bowman in his Scirocco.

All this brings me to one final arrangement I would like to bring up. Those of you coming into Portland from afar will have accommodations made available for you via our own Portland area club membership. If you wish to side-step the inconvenience and expense of moteling it for either Friday or Saturday evening, various club members have volunteered to take you in. If you wish to take us up on the offer please indicate so on your R.S.V.P. to Jean Graham. I will contact you personally with the arrangements by telephone.

So there you have it for now.

Sincerely yours,

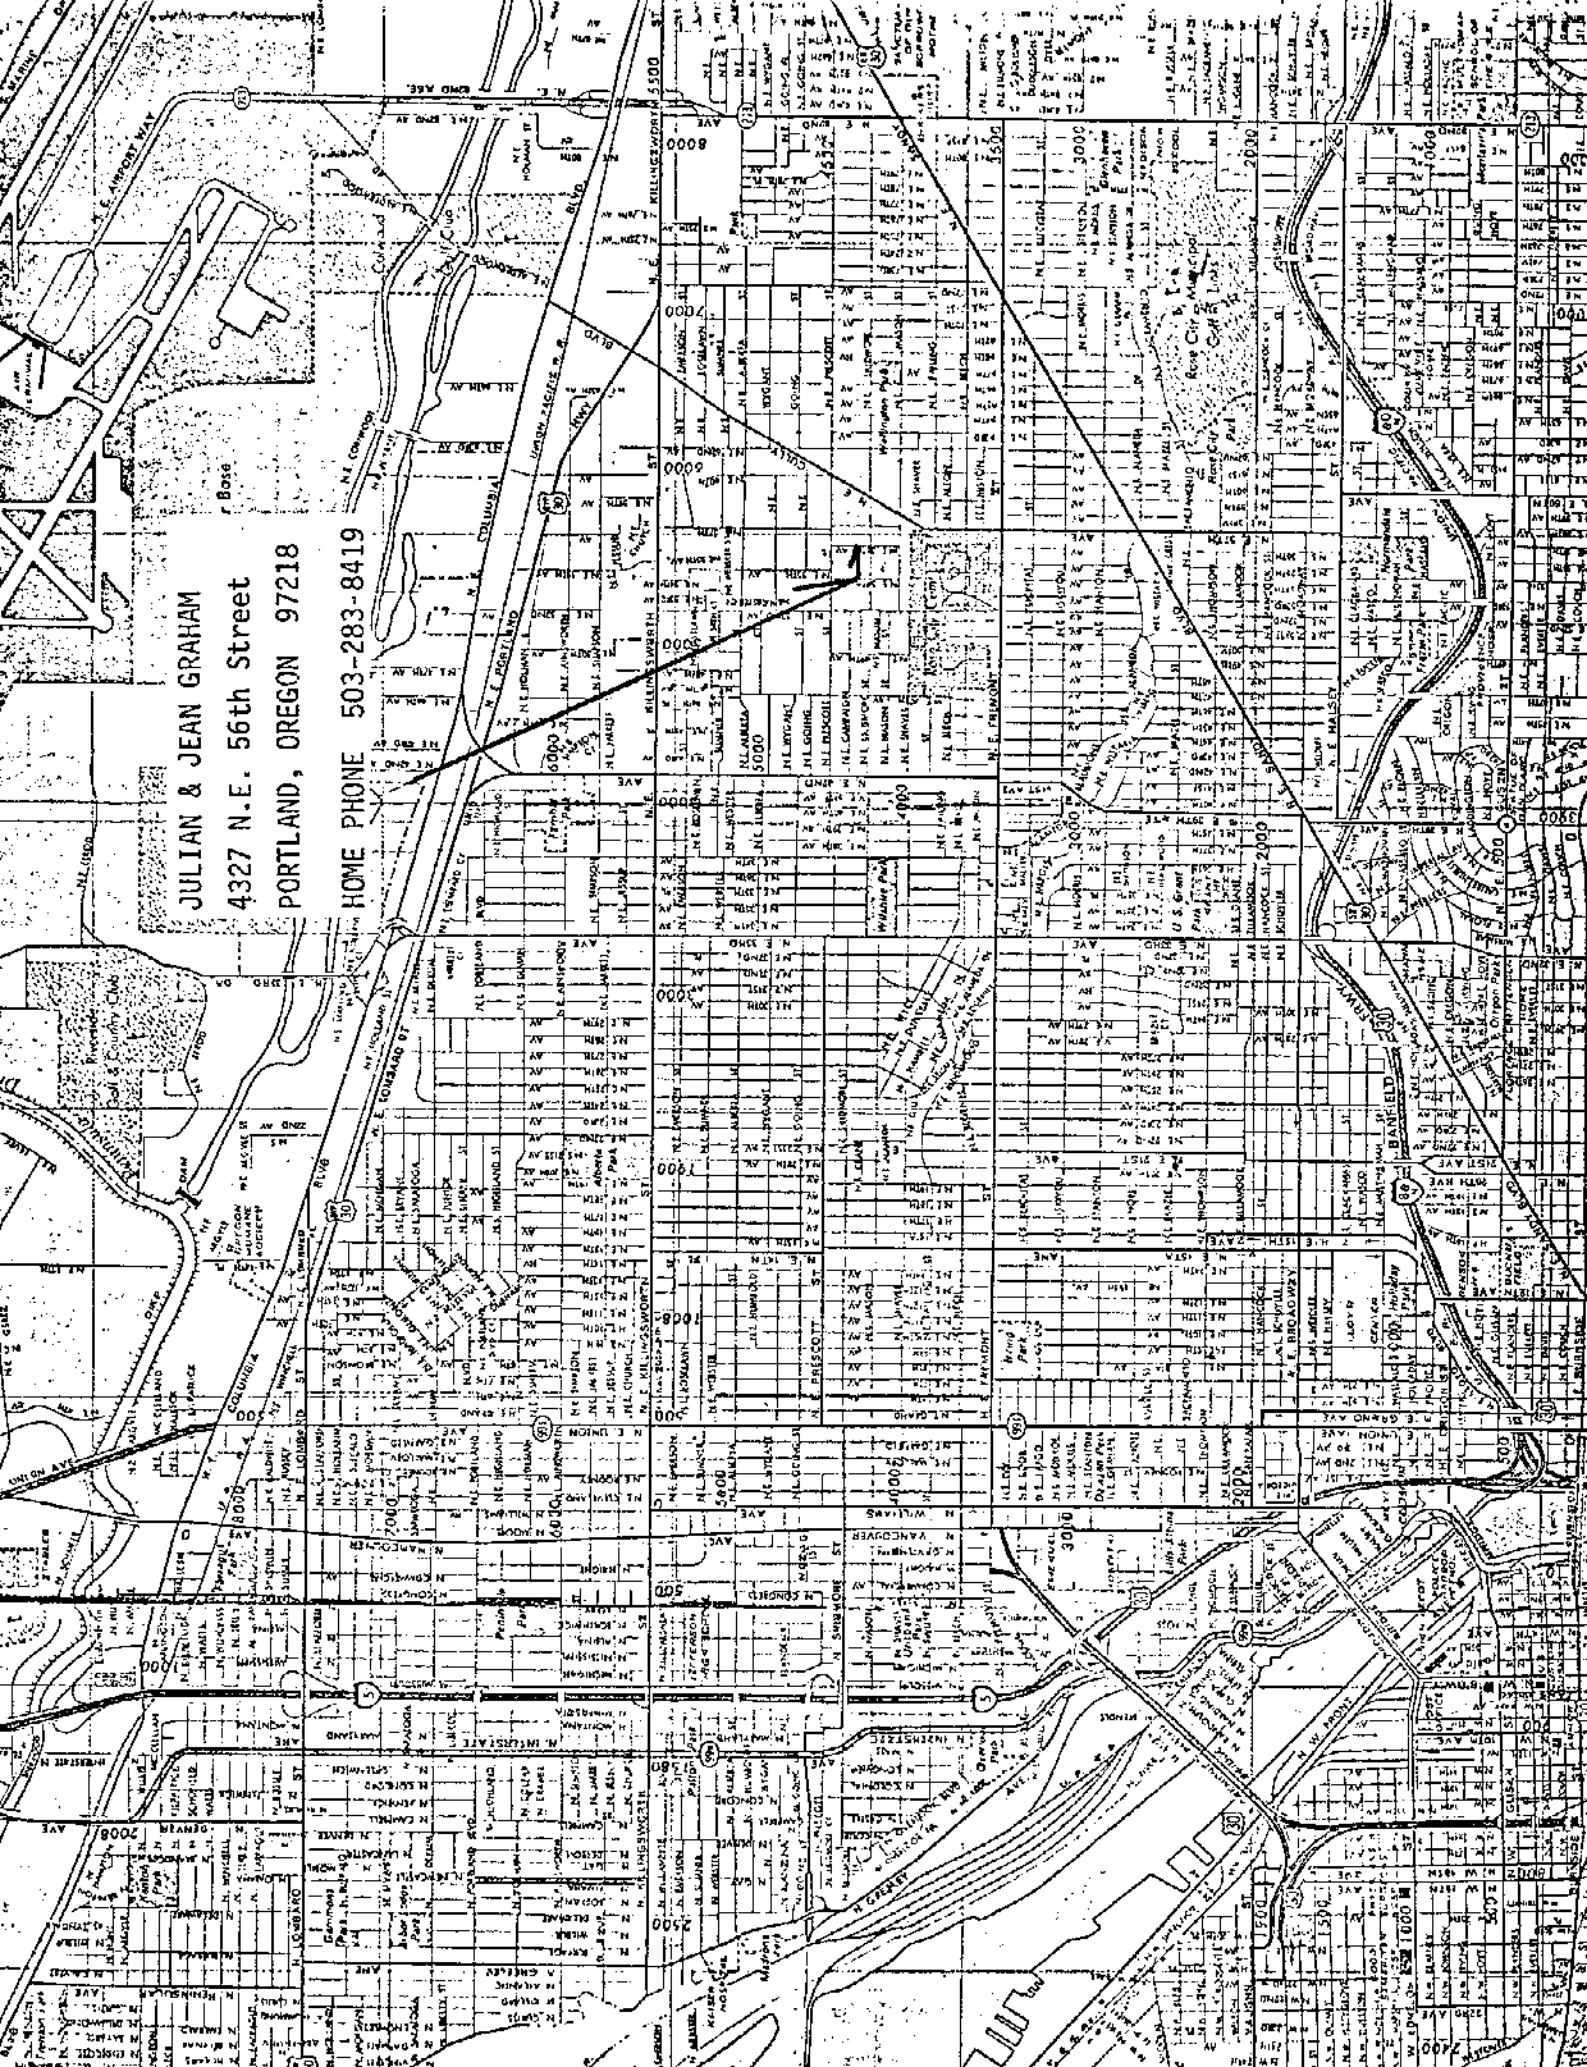

Gary J. Leikas
