

OCTOBER

1984

**OWNER'S
GROUP
NORTHWEST**

Dear Morgan Owners:

Oct. 1984

Meredith and I have put-together a long awaited roster. We now have 53 members. We put this together with available information, so for new members especially, some details on your Morgan may be missing. If you are in question about where to find your chassis number, it is on one of the cross members under the passenger seat on left hand drive cars and vice versa on Right hand drive cars (that means its under your seat).

This next meeting will be election of officers. After two years in a row I will be hanging up my hat and looking forward to whatever positive direction the group will be growing over the next year under new leadership. For those in Washington and B.C. our promise of a trip your way will be carried forward. Thank you and don't miss the next meeting Oct. 16, 1984 at the Horse Brass Pub on Belmont St., Ptd.
