Field Meet on August. 30, 31st & Sept 1st

See you at the meeting Tues.

July 16th!

To the members of the Morgan club:

Badges are back to the forefront, and fortunately Davy Crockett has taken the helm on finding out some competitive bids for the Grady Myers design. Fred Bowman has obtained one quote, but the consensus of the group was to find some other bids, and that is now underway. Dwight Smith will speak to one of his friends about making some additional copies of the traditional "anchor" badge--there should be a more comprehensive report to all come August. Smiths report due to inclement weather their beach rally was called--there's always another time....

Our Northern contingency reports via Bob and Loretta that there is a rally planned for the weekend of July 13 and 14--please see the brochure included in the newsletter--I strongly recommend anybody from this area joining up with them as a good time is guaranteed for all.

The Three Legged Rallye was held on a super day, June 23, and not only well attended but much appreciated by all there--as always, Jim and Lovetta were up to their consistantly high quality with fun and challenge for all. Overall winners were the Newmans--congratulations! Other drivers taking home prints by Grady Myers were McClintons, Nelsons and Tania Henry, daughter of the rallye masters, with a new MOGNW tee shirt for the overall winners, also designed by Grady. Second overall went to the Mc Henrys.

After the rallye a special meeting was held to elect a treasurer to fill Darrel Ozuna's position--the Ozunas are moving to Salt Lake where Crystal will be taking on a higher level position within the Nordstrom organization. We'll all miss them, but know on return the Morgan will be put into final concours condition, due to all the extra time on hand where they're going....best wishes and don't be gone too long.

The new treasurer by voluntary oct is Tricia Crockett. 75th anniversary commorative plates of the Morgan factory are available from the Club for \$22--drop Jim Henry or any other club officer a line if you want one. This is net cost to the club, and postage and shipping will be added.

There will be a July club event sponsored by the Crocketts, and more information will be available, but I understand it will revolve around the Forest Grove concours. I'm sure it will be lots of fun, so let's all turn out.

The next meeting will be July 16 at 7:30 PM at the Horse Brass. The Smiths and the Nelsons will be in London drinking a beer for all of you in honor of the occasion.

Sincerely,

Near Vancouver B. C.
