To : The Morgan Club Members

Absolutely perfect weather for the King Pin Rallye, with a field of 7 cars, 6 finishing. This year's award went to the Henrys(not getting extra points for driving a Morgan and arriving for the event on a late decision), second place going to last years winner, Phil Kelley, with Smiths and Springers coming in runners up--we had some new rallye participants and all had a good day.

At the last meeting we started to discuss plans for the Christmas party--lots of places and ideas were shared. I think we need to cement our plans at the next meeting, so please attend or let your views be known so we are not left with too little time and no place to go!

Also at the last meeting, Henry Langfus, in absentia, volunteered to host the October club event, and on his return from the UK, graciously rose to the occasion with a warm acceptance of the undertaking. More as to date, place and time in the next letter.

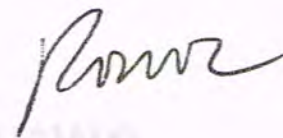

Another year of good weather for the All British Field Meet, and nearly a dozen Morgans arrived for the festivities. The Huntleys walked away with the trophy for "Best Morgan of the Show"--congratulations!

We have three new members to welcome: Bill Wayne, Dick Sadler and Jim Walters. Bill and Dick are from Dundee, Oregon and Jim arrived with the Northern contingency from Victoria B. C.

We are considering reordering the Morgan blue polo type shirts worn by some of the members at the field meet--please let us know size and quantity as soon as possible so we can get the ball rolling.

Last, but not least, a real breakthrough at the field meet--surreptitiously as possible, our new badge arrived on the badge bar of Fred Bowman's Morgan. Linda Huntley will prepare with the newsletter a drawing of the badge, but the badge itself is the product of Grady Meyers. The price to members is \$15.00 and \$20.00 for non-members. Please get orders in by not later than November 15, and we should have them ready by the Christmas party. This badge is not a replacement for the existing brass MOGNW badge, affectionately known as the boat anchor, but rather an additional badge, for fun, frolic and to let everyone know we've been around and driving for ten years or so. I understand it is gorgeous!

The next meeting is Sept. 17, 7:30 PM at the Horse Brass Pub--until then, happy Morganing.
