Hey!
The meeting's
been changed
to the 22nd

OWNER'S
GROUP
NORTHWEST

To the Members of the Morgan Club:

True to form the weather was perfection for the last member sponsored event, the Huntley's wine-bibers rallye--with a little luck we might squeeze in one more before anti-Morgan weather sets in. As I wrote in last month's letter, Henry Langfus has taken the October event, and although he has not yet declared a date, I know from discussions with him that he has some really great ideas. More to follow.

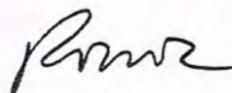

Our meeting this coming month will be the FOURTH TUESDAY, not the third as usual, with the meeting scheduled for 7:30 PM October 22 at the Horse Brass Pub.

After lengthy discussions, it is now decided that the Christmas dinner will be held Saturday December 7 at the Tualatin Country Club in Tualatin Oregon. Anyone needing directions can call me, but it is very easy to find, taking 15 south to the Tualatin exit, heading west to the T in the road(as far as the road goes), then right at the stop sign and staying on that road until one reaches the country club. We have a reserved private room, with hors d'oeuvres, a no host bar, and three choices of dinner, all of which will include a 15% gratuity: entrees are Halibut Steak(10.95), Chicken Cordon Bleu(13.50), and a 12-oz New York Steak(17.25). The dinner will include salad, vegetable and potatoe, and desert. This has always been a well attended and fun event, and your cooperation in letting us know you will attend, so food and seating can be arranged is much appreciated.

I received a question regarding dues. There is no initiation fee, and dues are due annually, at \$ 10.00/year on Jan. 1, so to keep getting the club information, it doesn't hurt to get the dues in early.

News from the North. Five Morgans from the North attended the 1st annual vintage car race, including one 3 wheeler. Clubs had one lap each, and although Hondas, VWs and Saabs were represented, only one real sports car attended, and we all know who that was. Mark and Andrea Braunstein will sponsor an October event rallying to Point Defiance Park in Tacoma. When dates are set, Bob Nelson will get the message to the whole club. Lastly, another Spring 1986 trip to the Tulip fields and La Conner will be planned for sometime around April.

Sincerely,

A handwritten signature in cursive script, appearing to read "Rover".

For those of you who have inquired as to when we may be ordering the Morgan Shirts, we have just received the logo from the person that made up the last batch of shirts. We are trying to locate a person locally that will be able to make up the shirts for us. Also some of you asked about the brass badges at the British Field Meet, we are going to have some more brass badges made up in the future but have not found a factory that can produce them for us. We no longer have the source that previously made them. If you have any ideas out there please let us know.

NOTE*****Don't forget to get your orders in for the new badge that will be ordered hopefully no later than Nov 1st. Maybe we can have them by Christmas. What a unique gift for that hard to buy for person. Cost \$15.00 member - \$20.00 non members. Mail orders to Tricia Crockett - 1774 SW Orchard Place Gresham, Oregon 97030

See You at the Meeting Tuesday October 22nd - 7:30 pm
